User Interface Design

A screenshot of a website for "Mentors". The header features a dark background with a grid pattern. At the top left is the "Mentors" logo. To the right are navigation links: Home, About Us, Mentor, and Become a Mentor. On the far right, there's a profile picture of "Robert Fox". Below the header, a large orange circle contains the text: "we help people connect with their right mentor." To the right of this text are several circular profile pictures of diverse individuals. At the bottom left, there's a "Need Help?" button with a play icon, a search bar with a magnifying glass icon, and two links: "Get Started" and "Watch Demo". On the right side, there's a large image of a smiling woman with blonde hair wearing a white knitted hat. To her right, a section titled "Find Your Right Mentor" includes a "Ring or message your mentor anytime." button with a phone icon, a "Become a mentor and help out people" button with a colorful hexagon icon, and a "Easy Methods" callout box with the text: "We Have the right mentor for any job, we will find you the right mentor and help you to connect with them." At the bottom, there's a "Call" button next to the woman's profile picture.
